Guide*1

3M VHB Sticky
Adhesive Pad*1

Nut *1

Round Adapter
Plate *1

Camera Mount
Holder*1

PRODUCT OVERVIEW

SETTING UP THE SYSTEM

1. Download the Home V app and create an account.

2. Switch the power button on to wake up the camera.
3. Press the Sync button for about 5 seconds until you hear a 'Du' sound with the red light flashing.
4. Go to the Home V app, then add your device by tapping on the '+' button; follow the app instruction to finish the setup process.

MOUNTING THE CAMERA

Outdoor Installation Note

For outdoor use, installation in a sheltered location is recommended. Please place the camera upward to avoid rain or snow getting into the device. Avoid installing the cameras where there are thick walls or obstructions between the cameras and the router.

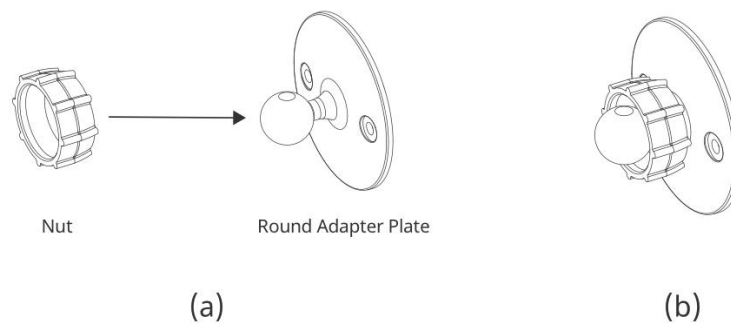

You may mount your cameras on a wall, ceiling, or counter.

Follow the 4 steps below:

1. Mark the positions of the screw holes on the mounting surface, then use a 1/4 inch drill bit to drill holes and place the round adapter plate on the surface with anchors and screws (included) as needed.

2. Place the nut onto the round adapter plate.

3. Press the camera mount holder onto the adapter plate, then rotate the nut clockwise to the mount holder.

4. Vertically place the camera on the camera mount holder, adjust the angle of the cameras until the desired view is set. Rotate the nut to secure the camera.

*Note: to install the camera on smooth surfaces, use the sticky adhesive pad (included) to stick the round adapter plate on the surface, then follow the other 3 steps above.

CHARGING

Battery status light	Charging: Steady Red
	Fully Charged: Steady Green
Charging time	7-8 hours(0-100%)

H.265/HEVC Video Standard

Covered by one or more claims of the HEVC patents listed at patentlist.accessadvance.com.

LIMITED ONE YEAR WARRANTY

Puwell Technology Inc. warrants this product to be free of defects in materials or workmanship for one year. This warranty does not include damage resulting from accidents or misuse. Damage from unauthorized service or modification of the product or of any furnished component will void this warranty in its entirety. This warranty is expressly in lieu of all other warranties, expressed or implied, including any warranty, representation, or condition of merchantability or that the products are fit for any particular purpose or use, and specifically in lieu of all special, indirect, incidental or consequential damages. To obtain service/replacement, please contact support@virtavo.com

Please allow up to seven (7) business days for your replacement to be processed.
